ARROTECH BRASS POLISH

General Characteristics:

Appearance:	Light Colored Liquid
Odor:	Alcohol
Solubility in Water:	Dispersible
Lbs. / Gal.	9.10
pH:	8 - 9

Application: *

Apply polish to a soft cloth. Rub on metal and allow to dry. Wipe off with a clean cloth. This will create a high degree of brilliance on shiny metal and a rich glow on lustrous metals. Light buffing with a soft, clean cloth brings up more shine.

*As conditions may vary, all dosages and guidelines are merely suggested starting points. It is recommended the user determine the proper operating conditions for their system.

Special Features:

- Ideal for Brass and a Variety of Other Metals
- Cleans and Shines
- Safe for skin

Recommended Uses:

Specifically formulated to clean uncoated and unpainted metals such as brass, copper, bronze, pewter, stainless steel, chrome, and aluminum.

Packaging:

1 Gallon	5 Gallon	15 Gallon
55 Gallon	275 Gallon	Bulk
