

ORANGEWORKS III CLEANER

General Characteristics:

Appearance:	Clear Light Colored Liquid
Chemical Composition:	Monoterpene Hydrocarbon Solution
Odor:	Citrus
Solubility in Water:	Emulsifiable
Lbs. / Gal.	7.09
Foaming Nature:	Negligible

Application: *

OrangeWorks III is recommended for use either as received or diluted with water to concentrations as low as 10% depending on the application. When diluting, add water to OrangeWorks III, this will help maintain the relative clarity of the solution and result in a superior emulsion. OrangeWorks III is safe and effective for use on plastics or metals to clean away grease, oil, tar, or other buildup. The product rinses easily, and since it is completely biodegradable it can be disposed of down the drain.

*As conditions may vary, all dosages and guidelines are merely suggested starting points. It is recommended the user determine the proper operating conditions for their system.

Special Features:

- 90% Active Content
- Utilizes Natural Orange Oil
- Fast Acting Solvent Properties
- 100% Biodegradable
- No Chlorinated or Halogenated Solvents
- Pleasant Citrus Aroma

Recommended Uses:

- Superior Cleaner for Tough Jobs
- Replace Hazardous Solvent Cleaners
- Contains Emulsifiers to Allow Dilution with Water
- Also Removes Adhesives

Packaging:

1 Gallon 5 Gallon 15 Gallon
55 Gallon 275 Gallon Bulk
